

Underwater works equipment

Warehouse

In order to improve its efficiency and organization, **SEANERGY-OI** owns a 400m² warehouse in Reunion Island. Most of the material from the society is stocked there (along with other warehouses in Madagascar and Mozambique) and taken care by the logistician. His role is to:

- Hand in and out of equipments on siteworks
- Follow state of the equipment
- Realize maintenance works and ensure the maximum disponibility of diving equipment
- Organize shipping of equipment for projects abroad

To optimize follow-up of equipment, all is computerized under **OPTIMAINT** software.

DIVING EQUIPMENT

Respect of international regulations of works and security (**IMCA-ADCP-SNETI**).

Bottles

More than 10 bottles B50
2 racks of 4 bottles B50

5 bottles 10L ROTH
1 bottle 12L BEUCHAT
3 bottles 15L FABER
7 bottles 15L ROTH
3 bottles 15L SEPTABERG

Umbilicals

3 80m umbilicals
2 120m umbilicals
10 100m umbilicals including 6 brand new

Underwater works equipment

Helmets

- 1 helmet KMB 17
- 10 helmets KMB 18B
- 2 helmets KMB 28B
- 1 soft helmet 28
- 2 KM DIVE HELMET 37 W/MWP
- 2 helmet AH5 for interventions in polluted waters

Accessories

- Diving suits
- Scuba pro – scuba diving equipment
- 1 hermetic suit Viking PRO 1090
- 6 harnesses ARVEST MK5

Breath, communication and vizualisation

- 7 diving combox including 3 new Kirby Morgan ACS5.

- 1 Hytech Divng Panel 3 divers 6 * HP
- 2 communication box AMCOM External Charger
- 1 AMCOM box AC Powered
- 1 PANASONIC underwater camera HD
- 4 GO PRO HD camera with underwater casings
- 6 helmet cameras AXSEE 57I Underwater High Resolution
- 1 Mangrove HD helmet camera with infrared lighting for night vision

Underwater works equipment

Hydraulic equipment

- 3 ATLAS COPCO hammer drills
- 1 hydraulic grinder STANLEY GR29 UW
- 1 hydraulic brush for cleaning (piles, hulls..).
- 1 hydraulic plant STANLEY S Raptor
- 2 hydraulic plants VANGUARD 18 HP 13,4 kw
- 1 hydraulic plant ATLAS COPCO LP-18-40 PE

Compressor and motopumps

- 1 electric compressor 150L
- 1 electric compressor 200L
- 1 thermic compressor 40L
- Compressor LP for siteworks
- 1 compressor BP and HP of 200 bar
- To inflate diving bottles
- 2 motopumps Worms Robin Subaru
- 6.0 EX17 1000L/min
- 3 electric generators 5kW
